The company name "Asus" is derived from the word "Pegasus", the immortal and reverent winged horse in Greek mythology. The Asus logo very cleverly personifies the power, purity and adventurousness of the mystical creature. It is widely considered to be one of the best known logos in technology industry.

The **Lenovo Phab 2 Plus** is powered by octa-core MediaTek MT68783 processor and it comes with 3GB of RAM. The phone packs 32GB of internal storage that can be expanded up to 256GB via a microSD card. As far as the cameras are concerned, the Lenovo Phab 2 Plus packs a 13-megapixel primary camera on the rear and a 8-megapixel front shooter for selfies.
